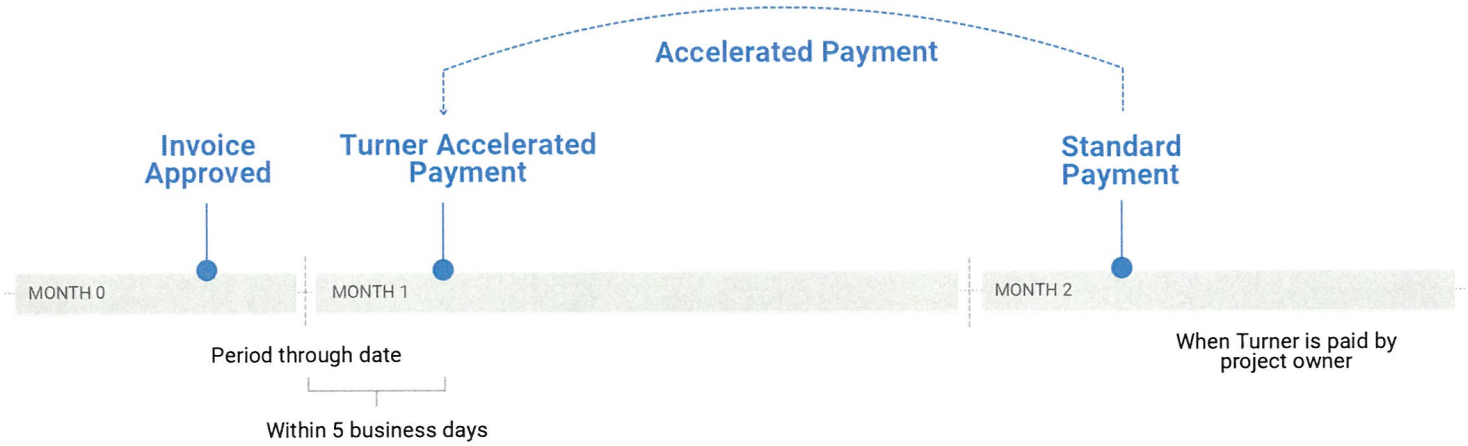
Turner AcceleratedPaymentProgram®
powered by billd.

Predictable Payments for Turner Trade Contractors

Join the optional program to get paid within 5 days of the period through date on Turner projects.



Enroll in the program then submit your invoice as you normally would. Once that invoice is approved and in good standing we'll fast-track payment to your account within 5 business days of the period through date – that's it.

Instant Benefits

- Fast and predictable payments
- No changes to your billing process
- Only pay for what you use
- No additional credit checks or underwriting
- Flexible enrollment options

Easy to Use

1. Talk with a Billd representative to learn more about the benefits of the program and pricing
2. Agree to APP terms and conditions in Turner's billing management platform
3. Get paid within 5 business days of the period through date on your invoices in good standing

"Accurate cash forecasting and budgeting are important and the Turner Accelerated Payment Program powered by Billd is a big help by providing certainty around payment timing."

CINDY BUCCI | CONTROLLER, DETROIT SPECTRUM PAINTERS

Why Turner is Offering This Program

Turner created the Accelerated Payment Program to support trade contractors with faster, more predictable payments, helping to reduce working capital strain. The program provides a seamless, low-cost way to get paid shortly after submitting a pay application, which strengthens their cash flow.

Why Turner Partnered with Billd

Billd is a financial services company built specifically for trade contractors. Through Turner's partnership with Billd, contractors have access to forward-thinking capital solutions that help them get paid faster, avoid delays, and grow their businesses.
